

Additional Questions from Miami JCC/OA&CTS Procurement

1. Section L.6. H. Proposal Format

In the box on the top of Page 80 in the number of copies box for Past Performance, it states: An original and one CD but in the BMP section you are requesting 4 hard copies and one CD. Does that mean we are submitting 3 books (Book one Technical Approach, Staff Resources, and Relevant Experience, Book 2 Past Performance, and Book 3 Business Management Proposal)?

Response: See Amendment 5

2. The RFP states there is no child care on site; however, during the site visit it was observed that there were small children in the day care area. If so, would staff need to proposed, subcontract, or is this provided outside of the contract? Please clarify if there will be onsite Child Care.

Response: The childcare onsite is operated by an outside contractor.

3. As a result of the Center residing in a high crime area, is there currently day passes permitted?

Response: Yes.

4. Please verify that the recruitment territory for the Direct Outreach and Admissions territory, the information is missing on page 11. Please specify the exact territory.

Response: There will be no specific recruitment territory for direct outreach and admissions.

5. Please verify the Post-Center Transition Services specific geographic territory. Page 16 D. Career Transition Services has returning to the following geographic area: but the area has been left blank.

Response: The geographic area is Florida.

6. Can more clarification be provided for questions 7 – 10 from Pages 88 – 89 a. Business Management Data?

Response: Yes

7. Offeror shall describe the strong fiscal controls the entity has in place to ensure proper accounting of Federal funds, and a description of how the entity will meet the requirements of section 159(a) of the Workforce Innovation and Opportunity Act of 2014.

a. Is the above statement requesting information on the accounting system the operator uses, how it is reported on the 2110, and the procurement process for controlling costs? Section 159 of WIOA appears to be very general.

Response: Answer will be in a future amendment

8. Offeror shall describe the steps that it will take to control costs in accordance with section 159(a)(3) WIOA of 2014.
- a. Section 159(a)(3) discusses fiscal responsibility and controlling costs. Is the above statement requesting information on our procurement process and 2110 reporting?

Response: Answer will be in a future amendment

9. Offeror shall describe any non-Federal resources that will be utilized in the operation of this Job Corps center.
- a. Is the above request for information referring to corporate resources that the center will not be charged for as it relates to student or staff?

Response: Answer will be in a future amendment

10. Offeror shall provide an assurance that it will comply with basic health and safety codes, which shall include the disciplinary measures described in section 152(b) of the WIOA 2014.
- a. What kind of assurances will be accepted? Is this in reference to the Zero Tolerance Policy?

Response: Answer will be in a future amendment

11. Please provide a vehicle listing.

Response: See Amendment 5

12. The student breakdown on Page 2 (provide services for an estimated total of 237 residential male students, 96 residential female students...) is different than the Center Design in the Statement of Work on Page 8. Please clarify the total planned average On Board Strength and breakdown of students by gender and residential status.

Response: Total OBS- 237

Residential Male – 96

Non-Res Male - 40

Residential Female – 64

Non-Residential Female - 37

Amendment 00007

Attachment 1

DOL-ETA-15-R-00103

Miami Job Corps Center RFP

13. Page 27 of the RFP, G.3.2: Cost Incentive Fee Paragraph 2 states, "The cost incentive fee shall range from 3.0% to 4% of total direct and indirect costs..., etc." In preparing the total cost of our proposal, should we use 3% or 4% in each of the applicable CLINs.

Response: 4%
